

Calgary Area Girl Guides' summer camp program is a great way for girls to spend a week, whether your daughter is a seasoned guider or just wants a week away! We offer sleepover camps throughout the summer so it is easy to find a week that works for you. All of our camps are designed for children aged six to twelve with the exception of a special week intended for girls aged twelve to fifteen. A typical week of camp begins on a Monday morning at the Guide Centre in Calgary. After meeting the leaders and other campers, everyone hops on the bus and, within an hour, is welcomed with a mid-morning snack at beautiful Camp Jubilee, situated adjacent to the Bow River in the valley town of Cochrane. Then the real fun begins – swimming, crafts, wide games, campfires, making home movies, and deliciously nutritious meals are just a few things that a camper can expect to take part in. Every week has a different theme with its own exciting activities and events. The safety and well-being of every girl is our top priority. With a strict 5:1 camper-to-staff ratio, dedicated and qualified staff are always on-hand to take care of any behavioral, medical, or social situation that may arise. It is also true that the staff are usually having just as much fun as the campers! Camp concludes back at the Guide Centre on the following Friday afternoon where you can expect your girl to be full of smiles, stories, and photographs. We bid goodbye to some girls until the next summer, and some just until the next week! Our hope is that every camper leaves us with bright memories, new friends, and thoughts of future summers with us.

Registration for summer 2008 is now open. Please note that spaces fill quickly. To avoid disappointment, early registration is recommended. Please contact the Summer Camp Coordinator at 403.238.8348 with any questions or concerns.
